This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the request of Magnolia Chauffeur & Livery, LLC (“Magnolia” or “Applicant”) filed March 12, 2013, for approval of an amendment to Magnolia’s Application for a Class C Charter Certificate of Public Convenience and Necessity to reflect a modification to the scope of authority requested on such Application. Magnolia’s Application for a Class C Charter Certificate was filed on November 26, 2012, and the Commission granted the Applicant authority to operate under a Class C Charter Certificate by Commission Order No. 2012-912, issued December 13, 2012.

Currently, the Applicant’s authority to provide passenger service as granted by Order No. 2012-912 reads as:

...to render motor passenger service... as follows:

Between Points and Places in Aiken County, South Carolina...

The Applicant requests to amend the scope of operating authority to statewide.

Based upon review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of the Application of Magnolia Chauffeur & Livery, LLC for a Class C Charter Certificate of Public Convenience and Necessity by changing the scope of operating authority from between points and places in Aiken County, South Carolina to between points and places in South Carolina be, and hereby is, approved.

2. That said approval is for a change in the area to be served as authorized by Order No. 2012-912, but does not otherwise authorize any change in the operation of the regulated services.

3. That upon compliance with the statutory and regulatory requirements as set forth in Order No. 2012-912, a Certificate of Public Convenience and Necessity shall be issued by the Office of Regulatory Staff to the Applicant as provided in Order No. 2012-912 and as amended by this Order.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such Certificate, the motor carrier services authorized by Order No. 2012-912 may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
